Taylor Ampatiellos

- ▶ Motivated, hard-working Tufts CompSci major seeking employment upon graduation in late May 2018.
- ▶ Team player able to bring levity to the workplace while maintaining professionalism and meeting deadlines.
- ▶ Dependable and kind people-person with strong integrity.

education

Tufts University Class of 2018 • Medford, MA

Major: Bachelor of Computer Science

Minor: Music

GPA: 3.53

Primary Extracurricular Activity: Member of the Tufts Beelzebubs; includes performing, public speaking, and community service.

work experience

Game Design Teacher's Assistant (Fall Semester 2017)

Tufts University CompSci Department • Medford, MA

Mentored students, performed QA testing, prepared lesson materials, graded assignments, and held office hours.

Operations Intern (Summer 2017)

Octant Technologies • Cambridge, MA

Built/maintained the company website, developed promotional materials, created a product demo video, interfaced with clients, performed data analysis, and conducted general field research.

Media Coordinator (2016-Present)

The Meadows and The Gables at East Mountain • Rutland, VT

Created video projects to increase both organic and paid traffic on social media. (Freelance)

Marketing Director (2015-2016)

Tufts University Beelzebubs • Medford, MA

Significantly increased website/social media traffic of this top-ten collegiate a cappella group by creating original promotional marketing materials using Photoshop and Adobe Premiere Pro, spearheaded the promotion of a new album (resulting in a notable increase in music sales), and publicized the release of a music video.

Piano Teacher (2010-2015)

Self-Employed • Rutland, VT

Motivated preteen and teen students to learn piano by teaching them with patience and humor. Developed and executed lesson plans, scheduled appointments, and provided detailed feedback to parents.
